“The Ernie Halter Quintet is simply fantastic—they knew just how to balance a mix of energetic dance songs to get our guests swingin’ with mellow background music to create a light ambience during dinner without overwhelming conversations. Ernie’s beautiful voice filled the entire banquet hall with its gentle power, and the band supported him with their strong instrumental talent. And to top it all off, they are an extremely nice bunch of guys who were very pleasant to work with. I would highly recommend this group to anyone and will definitely be using them again at an upcoming event.”

“Ernie halter and his group were consummate professionals. They arrived on-time, played at exactly the volume level I'd asked for according to the style of event, played fabulously, and were very reasonable price-wise. I would hire them again in a heart beat and would absolutely recommend them to fellow event planners working in the Southern California area.”

“The LA Jazz Quartet is phenomenal! (They were actually a septet for this gig.) Very talented and accommodating. David and Ernie graciously agreed to several last minute changes and special requests. Highly recommended!”

- Gloria J.

“All around Ernie and his band are excellent performers. They were just what we were looking for. Take a moment to check out their online video/audio selections. You will be getting just what you see. I very rarely give referrals and I have to say that I could not possibly give them a better recommendation!”
